ST. TERESA'S ACADEMY IS SUCH A VIBRANT SCHOOL. Award-winning choirs. College-bound athletes. Talented artists. Academic scholars. Presidential Service Award recipients. The list goes on and on...

For these reasons and more, we have been fortunate over the years to have consistent interest and enrollment at STA. And all signs indicate the 2015-16 school year will be another robust year. I like to believe it is due to high-quality teachers and a visionary board whose forward thinking and commitment to quality education are always at the forefront.

We would love to open our doors to all capable students, but for many families, finances can be prohibitive. Nearly 40% of our student population receive some form of financial aid. So when generous supporters step forward to fund our endowment, we are incredibly grateful.

In the next few pages, you'll read about four of our newest scholarship donors (there were fifteen in total this year!)...heroes in our financial world. Their generosity enables students and their families to better afford this wonderful STA education. They are living examples of the charism the Sisters of St. Joseph so strongly believe in: "to serve the dear neighbor." What a wonderful tradition this is and a true honor to our founders.

NAN TIEHEN BONE
President
The STA Endowment Fund

The school’s endowment fund helps students and families better realize their educational dreams. Each year, St. Teresa’s Academy offers nearly $680,000 in the form of financial aid, scholarships, and discounts to both incoming and current students—nearly 40% of the student body.

These funds allow us to recognize academic achievement, encourage diversity, and provide much needed financial assistance to worthy students. Our endowment also provides relief to families in financial crisis and supports students who utilize our work-study program.

Quick Facts

$239,000 scholarships  
$216,000 financial aid  
$17,600 Catholic school teacher/staff discounts  
$207,000 sibling and other discounts  
$679,600 assisting nearly 40% of all students
The Mary Therese Ismert Scholarship is in honor and memory of Mary Therese Byrne Ismert. It will be awarded to a student who exemplifies a deep Catholic faith and has a strong interest in math, science, or research. Preference will be given to a student who has demonstrated a desire toward a career and/or service in the mental health field.

I wanted to memorialize the saintliness of my wife, Mary Therese, Class of 1971, with this scholarship. In her soft-spoken voice, she offered never ending service to others, especially the mentally challenged. Our youngest, Ceci, has benefited from being at St. Teresa's Academy—academically, socially, and spiritually. Our hope is to assist other strong young women like Ceci.

— MIKE ISMERT
The Switzer/Wholey Family Scholarship will be awarded to a student who is an active participant in the St. Teresa’s Academy community and who also demonstrates financial need.

My wife Janet and I were very pleased with the education that our four girls received while attending St. Teresa’s Academy. It provided them a strong foundation for college. We will always support St. Teresa’s and appreciate the opportunity to assist other students through this scholarship.

— BOB WHOLEY
I was so happy to receive the Becca Lueke Scholarship for the 2014-15 school year. Becca was a good friend of my sister Maggie. They played basketball together and I grew up watching them play on the STA team. I was the first recipient of this scholarship and that means a lot to me. It is nice for my family, too, as it helps pay for school expenses. Thank you to Becca's family.

— Tess Rellihan, sophomore

Drummond Sisters Scholarship

The Drummond Sisters Scholarship will be awarded to a student with financial need who either has a sister currently attending St. Teresa’s Academy or a sister who is a recent graduate of St. Teresa’s Academy.

This is the third scholarship Eileen Drummond has gifted to St. Teresa’s Academy.

I’m the eldest of six and very fortunate that my sisters and brothers all live in the Kansas City area. We share many wonderful memories and for my two sisters and me, those include our time at STA. We were not in school at the same time (one would graduate and another would follow—our dad went to twelve Father/Daughter dances!), but we have the STA experience in common as do many generations of sisters at St. Teresa’s Academy. "Long may that continue!"

— EILEEN DRUMMOND ’68
Establish a scholarship
A gift of $25,000, given over time or all at once, will be placed in the school's endowment portfolio. The interest earned is given as a $1,000 annual student scholarship. You can define the criteria for the award, such as financial need, academic performance, or service. Many STA supporters have pooled their resources to establish a scholarship, such as an alumnae class or members of a family.

Support Annual Giving
Gifts to the Annual Giving Fund bridge the gap between tuition and the cost of education. These funds are also directed towards offering competitive teacher salaries and continuing education, purchasing state-of-the-art technology, enhancing faith formation, and many other important aspects of an STA education.

Consider Planned Giving: Bequest, Beneficiary, Stocks
Many alumnae and friends have designated St. Teresa's Academy in a direct bequest or through an established trust. St. Teresa’s Academy can also be named as the full or partial beneficiary of a retirement plan, IRA, or life insurance policy. A gift of stock, either outright or within your will, is another way to support the school.

Join the Women’s Circle of Giving
This group of philanthropic women support the specific needs of STA faculty that lie outside of the school's typical operating budget. WCG members pool their contributions to maximize their philanthropic efforts, with each member having an equal voice in the distribution of funds.

Participate in Special Fundraising Events
Support the school’s unique fundraising events, which include the annual auction, the Golf Classic, and the student-led Stars Walk-of-Fame and Color Throw. These events are great ways to get involved and meet other extraordinary parents and students as well.

Contact Barbara Cusick, Director of Development, at bcusick@stteresasacademy.org or 816.501.0031.
The Janice Neenan Clarkson Scholarship was created by the Clarkson family in honor of family matriarch Janice Neenan Clarkson, Class of 1942, and will be awarded to a student with financial need who has demonstrated a superior work ethic including diligence, commitment, and perseverance towards her academic goals.

For 150 years St. Teresa’s Academy has provided a Catholic education to the young women of Kansas City. Three generations of Clarkson women, including my wife, my daughters, and my granddaughters have benefited from the religious and academic training provided by the school. A Catholic education is a lifetime blessing to those who receive it.

— BILL CLARKSON

ST. TERESA’S ACADEMY WILL SOON BE CELEBRATING A MAJOR MILESTONE IN ITS STORIED HISTORY. One hundred and fifty years ago, the Sisters of St. Joseph founded St. Teresa’s Academy with the mission of promoting the intellectual, physical, and spiritual growth of young women. However, the students and alumnae receive something far more special than an education by joining the STA community.

As a parent of three graduates and now serving as the president of the Board of Directors, I have had the privilege of witnessing the unique bond formed among the students as a result of sharing a common set of life experiences. Whether it is the ceremonial passing of the torch by seniors, the infamous advisory parties, or giving back to the community through service hours, these young women become part of a sisterhood that embraces their individuality so each student can find a path for growth in all aspects of life. The administration, faculty, and staff view the words of St. Teresa of Avila embossed on the wall in Donnelly Hall as much more than a phrase, but rather a way of life; “In this house, all must be friends, all must be loved, all must be held dear, all must be helped.”

As we soon celebrate the accomplishments of the last 150 years, it is important to remember that the recipe for success is not complicated. The Sisters of St. Joseph along with the faculty and staff have created a place where girls are encouraged to help each other become more than they ever dreamed possible. This proven model has withstood the test of time, and St. Teresa’s Academy will continue to empower young women in the future.

Listed below are the generous contributors of the Women's Circle of Giving (WCG), a philanthropic group of women who enjoy collaborating to advance the mission of St. Teresa's Academy. The WCG specifically supports the many needs of STA faculty members and students that lie outside of the current operating budget.
