

|| PHYSICAL EDUCATION INSTRUCTOR ||

St. Teresa's Academy

St. Teresa's Academy (STA) is a Catholic, accredited, all girls' college-preparatory high school. The Academy's administration, faculty and staff are committed to providing young women with a premier education that includes a rigorous academic curriculum and technology program, award-winning arts and athletics programs, and service and mission opportunities. STA, founded by the [Sisters of St. Joseph of Carondelet](#), educates young women to think critically, encourages them through Catholic values to serve others, and empowers them to make a profound impact on the world.

The Academy is seeking a full-time Physical Education instructor to work with the Principal for Academic Affairs. This role is responsible for educating students in physical fitness and health and wellness literacy. This educator will support and integrate the values of St. Teresa's Academy and the Sisters of St. Joseph of Carondelet into the daily work and curriculum, igniting a passion for social studies, rigor, and excellence.

We offer a terrific benefits package including:

- Discounted tuition for employees' daughters attending STA
- Medical, dental, and vision plans
- FSA/HSA plans
- Life & voluntary life
- Short-term & long-term disability
- Critical illness
- 403(b) retirement savings plan with school match
- Generous paid time-off benefits including long holidays and seasonal breaks typically enjoyed by schools!

| Responsibilities |

- The duties of a PE teacher include creating lesson plans, preparing classroom activities, organizing teaching materials, evaluating student performance, maintaining classroom records, meeting with parents, teachers and other professionals, and participating in campus events
- Teach a range of physical education and health classes, covering topics such as fitness, nutrition, mental health, and wellness
- Serve as a member of the Physical Education Department, attend departmental meetings, develop and update course curricula, purchase supplies within a budget, collaboratively plan experiential learning opportunities and review textbooks
- Support the school's mission and the mission of the Sisters of St. Joseph of Carondelet

| Qualifications |

- A bachelor's degree in physical education, Health Education, or other related discipline
- Experience teaching physical education and health at the high school level preferred but not required
- Secondary or Post-Secondary teaching experience preferred

- An understanding of best practices in education and service learning
- A demonstrated passion for inspiring young women through excellent instruction
- Ability to integrate technology into the curriculum
- Collaborative spirit in developing cross-curricular experiences for students
- Fosters global competencies through experiential and authentic learning opportunities
- Flexibility, optimism, creativity, high expectations, and an emphasis on student-centered learning
- Enthusiastic involvement in the school community outside the classroom
- Excellent communication skills, both written and oral
- Proven organizational skills
- Understanding of the Catholic faith, single-sex schools, and the mission of the Sisters of St. Joseph of Carondelet preferred
